ACCORDION: RESTRAINED FRIVOLITY

The Accordion by Jaga gives your floor an artistic touch. It has a unique and flexible appearance, but always stays firmly and reliably in place. Its playful, curved strips stand side by side – matched in ranks. The result? An uninterrupted concertina movement that gives the grille a life of its own.

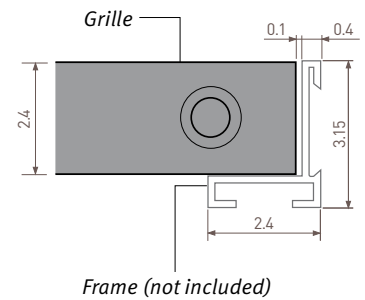

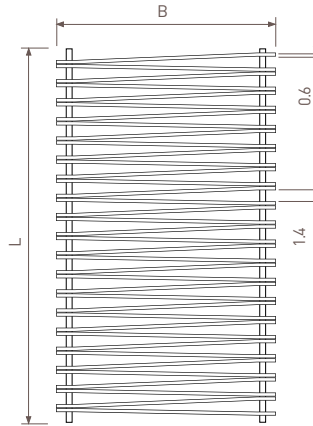

ACCORDION

DESCRIPTION

Rollable natural colour anodised aluminium grille with delicately curved and concertina effect fins, with transparent spacers.

Free air flow: 55%.

Length up to 1.7 m in one piece. Longer grilles are delivered in sections.
