## PEBBLES

Pebbles is a new addition to the extensive Jaga range. It is an superbly crafted cast aluminium grille, a masterpiece of traditional metalwork. Pebbles has the strong appearance of a traditional heavy cast iron grille with all the advantages of light aluminium. The irregularly spaced and different shaped holes give the grille the appearance of a scattering of pebbles.

Pebbles\_actual size

# PEBBLES

## VERSION

Rigid grille in cast aluminium.  
With rubber caps to reduce impact noise.  
Free air flow: 66%.

Pebbles is made up of 'tiles' (1 cm thick x 50 cm long) with the end tile at least 20 cm long.
